

Exeter Chiefs Performance Analysis Work Placement

The Role

We are searching for two Performance Analyst Placement students to work with our Men's first team and our Women's first team.

The primary role will be to capture footage of Men's home matches at Sandy Park, but there will also be opportunities to help capture and analyse training sessions on occasions where it fits around university schedules.

You will be using performance analysis software to generate video and statistical feedback and you will be able to see the work being used in the coaching process to improve performance.

This role is a great opportunity for someone in full-time university education to supplement their learning with elite level sporting experience.

Availability

The required availability will be weekends for Men's home matches (games are on either Saturday or Sunday). This will be supplemented with 1-2 days a week at the club for training sessions (3-4 hours).

The work with the Women's side will follow a similar schedule but for Tuesday and Thursday evenings.

What we are looking for

Essential:

- Availability on Weekends
- Full-Time or Part-Time University student (or other equivalent Post-18 Education)
- An understanding of rugby union
- An interest in Performance Analysis
- Time management and interpersonal skills
- Good work ethic

Exeter Rugby Club Ltd

Address: Sandy Park Stadium, Sandy Park Way, Exeter EX2 7NN

Phone: 01392 890890

Desirable

- Studying a Sport or Related Degree
- Experience in capturing footage for Sports Events
- Knowledge and experience in using Performance Analysis Software
- Coaching experience

What benefits you will get from the role:

- Experience in an Elite environment
- Working with Professionals with years of experience
- Use of Performance Analysis Software
- Kit Package
- 2 x Tickets for Family/Friends for 2 matches during the season

How to Apply:
